

Summer Program

Enrollment

Enrollment is open to children age 6 months (as of the previous September 1st) through 5 years old. We have a class with limited enrollment available for children who have just completed kindergarten.

Our summer program meets for a total of eight weeks during the months of June, July and part of August. The summer program meets on Tuesdays and Thursdays from 9:00 a.m. to 2:30 p.m. Our summer program is non-academic and is broken down into fun weekly themes.

Testimonies

"The Learning Tree Christian Preschool provided our daughter with the solid foundation required to excel in grades K-5. Individual loving care, coupled with exemplary instruction and curriculum, created an educational experience in which she developed a love of learning. The phonics program provided skill sets that enabled her to read prior to starting kindergarten. Most importantly, our child developed mentally, physically, socially, emotionally and morally in a Christ-centered environment supported by amazing teachers and staff! As our daughter prepares for the transition into middle school, we have reflected on those key factors which have contributed to her successes in elementary. All of which are directly attributed to The Learning Tree Christian Preschool." ~Pam Hall

Purpose

The purpose of The Learning Tree Christian Preschool is to extend the ministry of First Baptist Church by providing nurturing care, education, and developmentally appropriate activities so that each child can develop to his/her greatest potential: spiritually, mentally, physically, emotionally, and socially. The WeeLearn Curriculum is utilized which emphasizes Bible truths and learning through play. Our philosophy is that children learn best through engaging in hands-on learning activities which enhance Bible knowledge, pre-reading literacy, math competency, fine motor skills, gross motor skills and social awareness. Full-time care and a part-time preschool program are offered for children ages 6 months through 5 years of age.
